110,000,000 Common Shares Authorized 89,411,175 Shares Issued and 89,234,816 Shares Outstanding As of October 23, 2017 Dear P10 Industries, Inc. Shareholders:

During the third quarter, the Company continued to pursue the monetization of its intellectual property. We believe the experience and background of newly elected Board member Rob Stewart should assist us in this endeavor going forward. Additionally, the Company continued to pursue the acquisition of profitable businesses.

After the completion of the quarter, on October 5, we closed on the acquisition of RCP Advisors 2, LLC and entered into a purchase agreement to acquire RCP Advisors 3, LLC in January, 2018 (collectively "RCP Advisors"). In addition to cash and seller notes, RCP Advisors received 44,171,233 newly issued shares of P10 Industries (representing approximately 49% of P10 Industries outstanding shares). These shares were distributed across the management team of RCP Advisors. They collectively became the largest shareholders of P10 Industries. Moreover, co-founders and managing partners of RCP Advisors, William "Fritz" Souder and Jeff Gehl, have joined the Board of Directors. Future quarterly reports will reflect the consolidation of these entities.

RCP Advisors (www.rcpadvisors.com) is a leading sponsor of private equity fund of funds, secondary funds, and co-investment funds. RCP Advisors also provides advisory and research services. RCP Advisors will be a wholly owned subsidiary of P10 Industries. All existing and future funds managed by RCP Advisors will help build shareholder value at P10 Industries. In the last twelve months RCP Advisors generated approximately \$23 million in revenue on an assets under management base of \$3.6 billion. RCP Advisors also manages \$1.0 billion of assets for which the management fees are earned by an entity which was not acquired by P10 Industries. We look forward to reporting their continued success.

The financial statements for the third quarter reflect some costs associated with our acquisition of RCP Advisors. We incurred \$.365 million of acquisition cost for legal and other fees which has been reflected as Administration Expense. In addition, we incurred \$.230 million of costs to secure financing for the transaction which has been classified as Prepaid Expense and will be classified as Deferred Financing Costs upon the completion of the transaction. These costs were incurred in the third quarter and were paid in the fourth quarter resulting in the increase in Accrued Liabilities. Additional costs will be incurred in the fourth quarter to complete the transaction.

We want to again thank Mark A. Ascolese, Daryl Dulaney, and Mark Hood for their leadership during this busy season for the Company. We are very grateful for their exceptional service to the Company and its shareholders.

We are excited about the future of P10 Industries, and we look forward to updating our shareholders in future periods.

Regards,

Robert H. Alpert & C. Clark Webb
